

Adam Lehan of **CATHEDRAL** also picked up a Fernandes instrument for the Anniversary show, this time a [Ravelle](#) which he continues to play in current shows and recordings. **Adam** played

guitar and wrote many songs for the albums Forest of Equilibrium, Soul Sacrifice, Statik Majik and The Ethereal Mirror. The band's sell thru DVD also features songs mainly taken from Lehan's stint in the band. He also played in UK thrash metal band Acid Reign and cult thrash band Lord Crucifier from Italy. He was guitarist for a rock project he formed with Slammer bassist Russ Burton shortly after leaving Acid Reign but chose to join

CATHEDRAL

just prior to the recording of their first demo tape. He now plays in

FLIGHT

and
