

A very special red flexi disc exclusive for subscribers, is included in October issue of Decibel Magazine, featuring a new and equally exclusive track of English death metallers **CARCASS**, entitled "Zochrot", not included in their upcoming new album "Surgical Steel", and will not be available digitally.

This premier song, as well as all the tracks in "Surgical Steel", feature Jeff Walker's signature [I riturador](#) bass, which is equipped with dual EMG 35DC pickups and a unique distortion circuit built and designed by Swedish bass gear gurus, EBS Sweden AB.
